- *Item Contains Pork +Item Does Not Contain Meat
- ^Item Contains Fish
- Nutrition and Allergen Information available at: <http://www/fspro.com/nutrition.html>

Health & Wellness Message- Decoding Food Labels?

Everyone wants to purchase food that is nutritious and safe. Many people check food labels when they are grocery shopping in an effort to make sure that happens. Unlike the Nutrition Facts label, which is highly monitored, front of the package food labels aren't closely regulated. Beware of words such as natural, fat-free, and light. They might make foods seem healthier than they are.
