

## SUMMER FOOD SERVICE PROGRAM – TRAINING DATES

Site training is essential to the successful operation of your program – and it's required. Each site must have a person who has received summer program training present whenever meals are served. All persons involved in meal service and the site supervisor need to attend training.

To register, contact our Customer Service Department at 773-Gr8-Food (773.478.3663) or send an email to [gr8food@fspro.com](mailto:gr8food@fspro.com) with the names (first & last) of the individuals that will be attending as well as the date and time of training session you wish to attend. Please note that people from a site may attend different training dates/sessions.
